VIII Feedback for Taxonomy QA

EIOPA encourages stakeholders to report issues in the 2.2.0 Public Working Draft (PWD) as of 1 June until 30 June to the functional mailbox xbrl@eiopa.europa.eu. Please note that in this PWD quality review the feedback will be subject to the below conditions:

- EIOPA will list all confirmed issues found in the PWD taxonomy similarly to the existing "[public list of known issues](#)".
- Subject to the agreement of the reporting stakeholder, EIOPA will publish per issue found the name of the stakeholder (name of company or individual person) - from which EIOPA first received the issue in its functional mailbox. The date of receipt at EIOPA will also be made publicly available.
- After 30 June EIOPA will deliver a private acknowledgment to the three stakeholders that have submitted the highest number of confirmed issues. The acknowledgment will have the format of a letter to be signed by the EIOPA Executive Director.
- EIOPA will also publicly acknowledge their contribution in the Quality Assurance phase of the 2.2.0 PWD Taxonomy version in its website.
- In case of a tie result EIOPA will consider more than three stakeholders. All the issues reported are assessed equally independently of its severity, impact, or any other attribute.
- EIOPA reserves all the rights to decide which issues to be listed in the "public list of known issues".
- Note that one email with feedback may serve to identify more than one issue, and opposite, one issue may be identified complementing feedback from more than one email. EIOPA reserves all the rights to decide how the issues are registered and to assign one issue to one or more stakeholders.
- Stakeholders having contractual relations with EIOPA, which allow them to have any advantageous access to information related with taxonomy, are not allowed to participate.

- By submitting feedback stakeholders acknowledge and consent that this may be used by EIOPA to improve Taxonomy. Particularly EIOPA recalls that all feedback is subject to the EIOPA Taxonomy licence².
- EIOPA reserves all the rights to cancel, modify or add conditions to this feedback process, list of known issues publication and acknowledgments at any point of time and without justification.
